## **Brother Max Lynch from Indiana**

Max was really happy to tell people how he received salvation. Seems he was fired from his job, he went home, picked up the Bible and lay on the couch for days reading it. Occasionally his wife would wander in and ask him when he thought he might get up and out and find another job, as the family was out of money. Finally Max leaped from the couch and cracked his wife on the side of the head with the word of God; he knocked her cold (Max demonstrates this with great enthusiasm). Then, like a prizefighter celebrating over the body of a fallen victim, shouted "WOMAN! I HAVE A JOB, I'm going to preach the WORD OF GOD!" And that's what he's done ever since. Max also insists that he wife doesn't question his authority anymore.

Here is a video from the past as Street Preacher Max Lynch preached at Purdue University for 25 years and has since gone home in 2000:
